

Angela Gerrard is an artist based in Beaufort in regional Victoria. A multidisciplinary artist, Angela has specialised in pastel art for over sixteen years. Angela is also a ceramic artist working mainly with porcelain and semi-abstract sculptures. 'Angela Gerrard Art' operates from a custom-built studio gallery on her family farm in Beaufort.

Angela's art is inspired by the natural world around her and her nostalgic memories of dance. Weekly art classes and various art workshops are held in the studio which is open by appointment with Open Studio Days held throughout the year.
