TO WHOM IT MAY CONCERN

The Committee and Membership of the *Pyrenees Arts Council Inc. wholeheartedly support Angela Gerrard for an Australian Council for the Arts Grant for her project 'Sculpt with Porcelain and Patterns'.

Angela Gerrard is a highly regarded, award winning, innovative artist who is dedicated to the continuing development of Art in our Region. As a local artist, Angela has built a long standing reputation for her engagement with other local artists and her involvement in our local Community through the Arts.

We praise Angela for her enthusiasm and her continuing quest to expand her knowledge and skills by encompassing many art forms, not only for her own growth but for her generosity to share her knowledge and skills with the Community, through her teachings in her studio and on line, workshops and exhibitions.

Angela is a very pro- active, long standing member of our Pyrenees Arts Council. She is actively involved as an exhibitor and on the organising Committee for our Annual Pyrenees Art Exhibition run in partnership with Beaufort Rotary Club. Angela exhibits regularly at our ART TRAX Gallery and has encouraged her students to have 'Student Exhibitions' to promote and sell their works.

We wish Angela every success for her Australian Council for the Arts Grant Application for her 'Sculpt with Porcelain and Patterns' Project.

Kind Regards.

Barbara Blamey
